

Robin4Arts Presents

Electro jazz group with world/ethnic elements and ambient textures.

TKG use fretless guitars, ethnic percussions and fx loops creating a combination of ambient jazz and fusion compositions. Fretless guitar virtuoso and band former Theodore Kalantzakos influenced by the microtonal musical system of the Byzantine, Balkan and Eastern music, makes extended use of the fretless guitar, adding world and ethnic sounds in their electro jazz/cinematic compositions.

**"It's worth part of your most recent paycheck to secure a copy
Uncle G rates TKG – Pattern Partner ... 5 stars!"**

*Gary Brown,
American Correspondent
for classicrockradio.co.uk*

"Emotionally charged...outstanding guitar playing!"
